TRACT DESCRIPTIONS

TRACT #1: An exceptional 228± Acre farm located at 3171 County Road 91, Bellefontaine, OH, in Harrison Township, Logan County. This outstanding agricultural property consists of two parcels selling together as one tract, offering an excellent combination of productive tillable farmland, pastureland, a farmhouse, and numerous agricultural improvements. The property features approximately 183 acres of tillable land per FSA records, with soil types including Wallkill Silt Loam (26.9%), Carlisle Muck (11%), Glynwood Clay Loam (10.6%), and Eldean Silt Loam (9.3%). The farm offers a mixture of gently rolling terrain, open cropland, and pasture areas currently utilized for cattle. Improvements include a 1,400 sq. ft. farmhouse featuring 2 bedrooms and 1 full bathroom, along with a 75' x 30' pole barn, 60' x 48' pole barn, 72' x 40' implement building, 50' x 26' barn, additional outbuildings, and three grain bins. The combination of productive cropland, established pasture, and existing agricultural facilities makes this property well-suited for continued farming, livestock operations, or expansion of an existing agricultural operation. With approximately 183 acres of tillable ground and a versatile collection of farm improvements, this tract presents an excellent opportunity for farmers, livestock producers, and agricultural investors alike. Both parcels will sell together as one tract.

TRACT #2: An outstanding 56 ± Acre parcel of productive farmland and woodland located along County Road 91 in Harrison Township, Logan County, Ohio. This attractive tract features approximately 45 acres of tillable farmland and 8 acres of woodland, offering an excellent combination of agricultural productivity and recreational opportunities. The property consists predominantly of Blount Silt Loam (81.6%) and Wetzel Silty Clay Loam (16.9%), with gently rolling terrain well-suited for crop production. The tillable acreage features an open, accessible field layout, while the wooded area along the eastern portion of the property provides natural beauty, wildlife habitat, and potential hunting and recreational opportunities. With road frontage along County Road 91, this versatile tract presents an excellent opportunity for farmers looking to expand their operations, agricultural investors seeking productive farmland, or outdoor enthusiasts interested in a combination of tillable ground and woodland.

TRACT #3: An attractive 33 ± Acre parcel of productive farmland and woodland located at the corner of Township Road 212 and Township Road 31 in Harrison Township, Logan County, Ohio. This versatile property features approximately 25 acres of tillable farmland and 8 acres of established woodland, offering an excellent combination of agricultural productivity and recreational opportunities. The property consists primarily of Nappanee Silt Loam (66.7%), St. Clair Silt Loam (17.4%), and Pewamo Silty Clay Loam (10.1%), with gently rolling terrain suitable for continued crop production. The tract features road frontage along both Township Road 212 and Township Road 31, providing convenient access and flexibility for future use. The wooded acreage is situated in the southwest portion of the property, offering natural beauty, wildlife habitat, and potential hunting and recreational opportunities. With its desirable corner location, productive tillable acreage, and wooded surroundings, this tract presents an excellent opportunity for farmers looking to expand their operations, agricultural investors, or buyers seeking a combination of farmland and recreational ground.

Terms: 10% Down is due day of auction & closing within 45 days. The sale of this real estate is NOT contingent on financing. For additional details or questions call Harley at 937-246-4282
